

## Sherbrook Lodge 6393

### The United Services Lodge in Staffordshire

The Lodge was formed in 1947 originally meeting in and around Rugeley and now at the Chase Golf Club Penkridge. It currently meets on the 3rd Tuesday evening from October to April inclusive

Realising **there is a strong connection between the disciplines and fraternity of service life in the Armed Forces and those of Freemasonry** the Lodge made the decision in late 2019 that it would offer something thus far lacking in Staffordshire and **open itself to attract membership by serving and former members of the Armed Forces** and as such its membership has begun to grow.

The Lodge prides itself on having an unusually strong social side and **encourages and welcomes involvement of family** in its activities and is positive and supportive of members and their families.

Amongst **our fundamental standards and core beliefs we practise strongly are comradeship, mutual support and charity.**

We offer a network of support and friendship among likeminded men. As a Freemason you will rapidly meet and form friendships which can last a lifetime

Any man over the age of 18 can become a Freemason and join the 200,000+ who are members in England and Wales so if you are interested why not contact the Secretary below for an informal chat and learn more, he would be delighted to hear from you?
